PREFACE

This document is a comprehensive Summary of Laws passed by the 2006 Indiana General Assembly, including the 193 bills (107 Senate Bills and 86 House Bills) and one Joint Resolution passed during the Legislative Session completed on March 14, 2006. These bills have been categorized by general subject matter, as listed in the Table of Contents. The Index at the back of this document lists all Senate and House bills in numerical order and notes the page number for each bill.

Many of the bills passed could have been categorized under several related headings in the Summary. In order to limit the length of the Summary book, the complete digest has been included under only one heading, and a cross reference to the bill has been included under additional related topic headings. These other bills are noted by bill number, with the subject heading under which they appear in the Summary noted in brackets below the bill number and brief description.

For purposes of this Summary, we have listed only the first and second author(s) or sponsor(s) for each bill. Additional Senators and Representatives who co-authored or co-sponsored the bill are not reflected here but can be found under "Bills and Resolutions" on the General Assembly home page or by contacting the Legislative Information Center.

For further information concerning laws passed, please contact either the Senate Majority Attorney's Office at (317) 232-9415 or the Legislative Information Center of the Legislative Services Agency at (317) 232-9856 or visit the Indiana General Assembly home page at <http://www.in.gov/legislative>.
